

# TECHNICAL SERVICES ORDER FORM

Prices valid during the exhibition period

| Description  | number | price (EUR) | total |
|--|--------|-------------|-------|
| 1 Electrical connection with el. consumption up to 2kW/ 220V - 32A european socket /floor feed/        |        | 35.00       |       |
| 2 Electrical connection with el. consumption up to 5kW/ 220V - 32A european socket /floor feed/        |        | 76.00       |       |
| 3 Electrical connection 24 h. consumption up to 2kW/ 220V - 32A european socket /floor feed/           |        | 70.00       |       |
| 4 Electrical connection 24 h. consumption up to 5kW/ 220V - 32A european socket /floor feed/           |        | 152.00      |       |
| 5 Electrical connection with el. consumption up to 5kW/ 380V - 32A european socket /floor feed/        |        | 76.00       |       |
| 6 Electrical connection with el. consumption up to 10kW/ 380V - 32A european socket /floor feed/       |        | 115.00      |       |
| 7 Electrical connection with el. consumption up to 25kW/ 380V - 63A european socket /floor feed/       |        | 165.00      |       |
| 8 Electrical connection with el. consumption up to 35kW/ 380V - 63A european socket /floor feed/       |        | 206.00      |       |
| 9 El. connection from the ceiling grid - consumption up to 2kW/ 220V                                   |        | 175.00      |       |
| 10 El. connection from the ceiling grid - consumption up to 5kW/ 220V                                  |        | 216.00      |       |
| 11 El. connection from the ceiling grid - consumption up to 2kW/ 380V                                  |        | 175.00      |       |
| 12 El. connection from the ceiling grid - consumption up to 5kW/ 380V                                  |        | 216.00      |       |
| 13 Switch box  |        | 50.00       |       |
| 14 Suspension points /permission suspension /  |        | 40.00       |       |
| 15 Compressed air , without dryer 6 bar / 150 l / min  |        | 90.00       |       |
| 16 Compressed air, without dryer 6 bar / 400 l / min   |        | 150.00      |       |
| 17 Water supply with water consumption / water 1/2"-plug; pipe ø 32, 40, 50)                           |        | 35.00       |       |
| 18 Construction of an installation for water attachment up to 2 LM                                     |        | 200.00      |       |
| 19 Construction of an installation for water attachment for each subsequent meter                      |        | 25.00       |       |
| 20 Internet up to 4 Mbps * Cable Internet /real static IP address, up/down 1:1/                        |        | 20.00       |       |
| 21 Internet up to 8 Mbps * Cable Internet /real static IP address, up/down 1:1/                        |        | 40.00       |       |
| 22 Internet up to 16 Mbps * Cable Internet /real static IP address, up/down 1:1/                       |        | 70.00       |       |
| 23 Internet up to 4 Mbps * Cable Internet /real static IP address, up/down 1:1/ +router/WIFI network/  |        | 40.00       |       |
| 24 Internet up to 8 Mbps * Cable Internet /real static IP address, up/down 1:1/ +router/WIFI network/  |        | 60.00       |       |
| 25 Internet up to 16 Mbps * Cable Internet /real static IP address, up/down 1:1/ +router/WIFI network/ |        | 90.00       |       |
| <b>Overtime hours</b>  |        |             |       |
| 26 Overtime hours (requested until 2 pm)   |        | 70.00       |       |
| 27 Overtime hours (requested after 2 pm)   |        | 140.00      |       |
| 28 Overtime hours (stand arrangement days)   |        | 210.00      |       |

## NOTE:

The technical services ordered by the client shall be marked on the situation scheme of the booth, and on the underground communication, or in the absence thereof, the technical service shall be rendered at the discretion of IEC.

When the exhibitor receives his permanent position in the hall he will be provided with situation scheme of the stand.

IEC provides adjustment of equipment only if it is the property of the exhibition center.

The technical services shall be ordered not later than 30 days prior to the beginning of the exhibition. After that period there will be 20 % increase of the prices. All technical services will be activated at the stand arrangement day.

If earlier activation is necessary, please contact us.
